(F) minus all Outcomes (R+V). -----> 42 35 77

If your reported Ending Count does not match these numbers, please go back through your data and be sure you didn't miss something (i.e., animals in foster, adoptions, transfers, etc.). If all animals have been accounted for and the reported Ending Count is different, please indicate in the comment section.

#### COMMENTS:

Due to the unexpected and very sudden departure of the Grant County Shelter Director, in May 2009, no shelter reports were filed for May or June 2009. Thus, some animals who passed through the shelter were uncouncted.

**I agree that in completing this form, we have used the Maddie's Fund definitions of "Healthy," "Treatable - Manageable," "Treatable - Rehabilitatable," and "Unhealthy & Untreatable" as set forth in the attached document titled, "Maddie's Fund® Categorizations/Definitions of Shelter Animals."**
